curated master v2

locked – 14 surfaces

one name. a page and an address.

Home → Login → Claim → Kept → Yours → Name settings → Billing →
Mail setup → Write → Public page → Support → Privacy → Terms → Delete

states live under parents. do not invent a new design for every outcome.
login owns forgot/reset · claim owns availability · billing owns receipts
mail setup owns client instructions · write owns sent/error · delete owns confirm

smtp.migadu.com.

BILLING

polar handles money.
refunds within 7 days.
year renews till cancel.

WHEN PAYMENT ENDS

inbox suspends.
mail kept 7 days –
not wiped at once.

lost.pink

privacy

private, not anonymous.

WHAT IS PUBLIC

your handle is the page path. because the address follows the handle, lost.pink/mercy implies mercy@lost.pink – whether or not the page prints it.

RECOVERY EMAIL

used to get back in. never shown publicly. never sold.

POLAR

payments are processed by Polar. not analytics.

MAIL CONTENTS

mail is stored with our email host (Migadu) so the inbox can receive and sync. we do not use contents for ads or model training. after suspend, mail is kept 7 days, then removed.

WE DO NOT TRAIN MODELS

we do not use your messages or account data to train or improve models.
